Tools & Design: Git/GitHub, Adobe Illustrator, Premiere Pro, Figma

Core Strengths: Problem-Solving, Event Planning, Photography & Videography, Social Media Management, Team Leadership

PROFESSIONAL EXPERIENCE

IEDC MESCE

Chief Production Officer

March 2026 – Present

- Lead the production team within IEDC MESCE's core committee, overseeing media and production planning for innovation and entrepreneurship initiatives.
- Designed structured, multi-category interview frameworks for IEDC support team recruitment, evaluating candidates on motivation, initiative, teamwork, operational thinking, and self-awareness.

Assistant Production Officer

July 2025 – June 2026

- Assisted in planning and executing production and media coverage for IEDC events, including the flagship event Inspiria.
- Collaborated with the media and production team to deliver event documentation, photography, and videography.

Media Associate

August 2024 – March 2025

- Contributed to media production and content creation for IEDC events as part of the media team.

National Service Scheme (NSS), MESCE

Head of Media

July 2025 – Present

- Lead media strategy and content creation for NSS unit activities, documenting community service initiatives and volunteer-driven programs.
- Designed a two-tiered interview framework for the Volunteer Secretary selection process, covering motivation, leadership, ethical dilemmas, and crisis-response scenarios.

MATRICS – MESCE

Head of Media

June 2025 – Present

- Lead media operations and content creation, including coverage of the flagship event Frizbee.
- Manage photography, videography, and promotional content for unit-level events.

LEADERSHIP & KEY EVENTS

ScaleUp Conclave 2026, Perinthalmanna — Core Team Member, Social Media Manager

2026

- Managed social media strategy, audience engagement, and content planning for the flagship entrepreneurship event; also contributed to media operations and overall event coordination.
- Produced the official promotional video for the event.

ScaleUp Conclave 2025 — Core Team Member

2025

- Contributed to overall event operations with a primary focus on media coverage and content creation.

EDUCATION

MES College of Engineering, Kuttippuram

Bachelor of Technology, Computer Science and Engineering

Expected April 2027
